

Fees Structure

Centres in the United Kingdom falls into region 1 along with other high-income economies – (normal fees apply to all region 1 centres).

All prospective centres and learners should visit [Fees Related Information](#) page on www.othm.org.uk for most updated information.

This Fees structure should be read in conjunction with the *World Bank Group country classifications by income level for current fiscal year* to find which region their centre falls into and pay the appropriate fees.

It is the centre responsibility to register learners with OTHM as soon as the learners join with the centre.

All fees are in UK Pounds Sterling (GBP) and payable to ‘OTHM Qualifications’ via bank transfer. We reserve the right to make alterations to the Fee structure at our discretion.
